

Uzkimyo sanoat

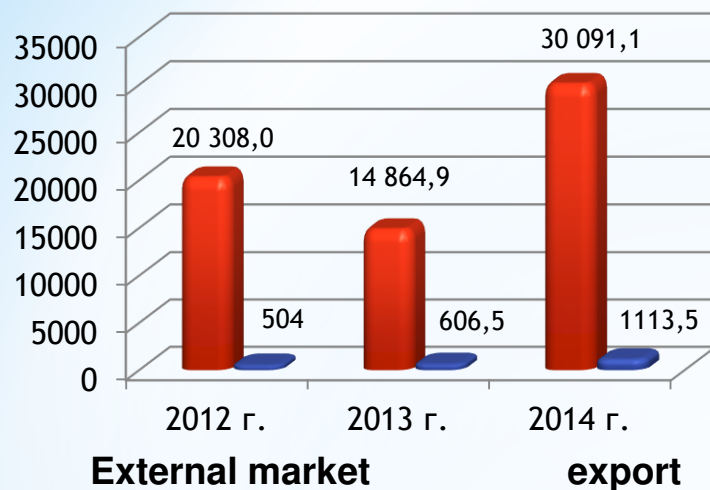

PROPOSAL IMPLEMENTATION of the strategic investor in the state's share JSC "Samarkandkimyo"

Tittle	JSC "Samarkandkimyo"
Kind of activity	Production of mineral fertilizers, chemical industry
Date of creation	1954 year
Location	Republic of Uzbekistan, Samarkand city, Chemists township
The area	60,27 hectare
including production area	6,5 hectare
Number of Employees	623 units
incl. managerial staff	40 units

Product sales in the million sum

PRODUCTS

The range produced to date on the products of JSC "Samarkandkimyo" consists of two types of fertilizers.

The list of primary products

Name of product	Production capacity t.t. in year	Main consumers
NCPF (nitrofos); P2O5-16, N-6, CaO-11	203,1	The internal market, agriculture, the harvest of cotton and grain. External markets - Kazakhstan, Georgia
NPK (nitrophoska); P2O5-14, N-5, K-14, CaO-11 It is made on the actual power exclusively for export under the order		External markets - Kazakhstan, Georgia

MAIN PRODUCTION

Production of mineral fertilizers

Manufacturing Nitrofos

Commissioning - 1954

Modernization in 2007

Power - 203.1 ths.

The level of capacity utilization in 2014 - 40%

Planner of process part - GloNI

Moscow, Russia

Equipment - Russia

Additionally produced NPK fertilizer
on the actual power exclusively for
export under the order

ENGINEERING INFRASTRUCTURE

Power supply is carried out in n / a "Samarkand" on two lines 110 kV feeders A-Sp3 - 1.

To lower the voltage up to 6 kW at factory mounted one main down substation 2. It installed two power transformers type TRDM capacity of 40 MVA.

Providing natural gas is from DS "Samarkand" of high pressure gas pipeline (12kgs / cm²), the length of 13 km, the diameter of the pipeline is 200 mm.

Water supply: the company has the capacity of each well 3 Q = 30 m³ / h. Sewerage: there is sewerage pumping station (SPS), the CND enterprises connected to the central city sewer length of which 2.1 km in diameter 150mm.

The length of railways companies, 8.2 km

RESOURCES

List of the main raw materials

No	Name	Supplier	UOM	The need for a year at full capacity
1	Natural gas	UE "Markazgaztaminot"	mln. MC	37
2	Phosphorite products Tashkura	Navoi Mining - Metallurgical Plant	t.t.	185
3	Acid nitric not concentrated	JSC "Maxam Chirchik"	t.t.	100
4	Potassium chloride	UE "Dehkanabad potash fertilizer plant"	t.t.	1

INTEGRATED MANAGEMENT SYSTEMS
